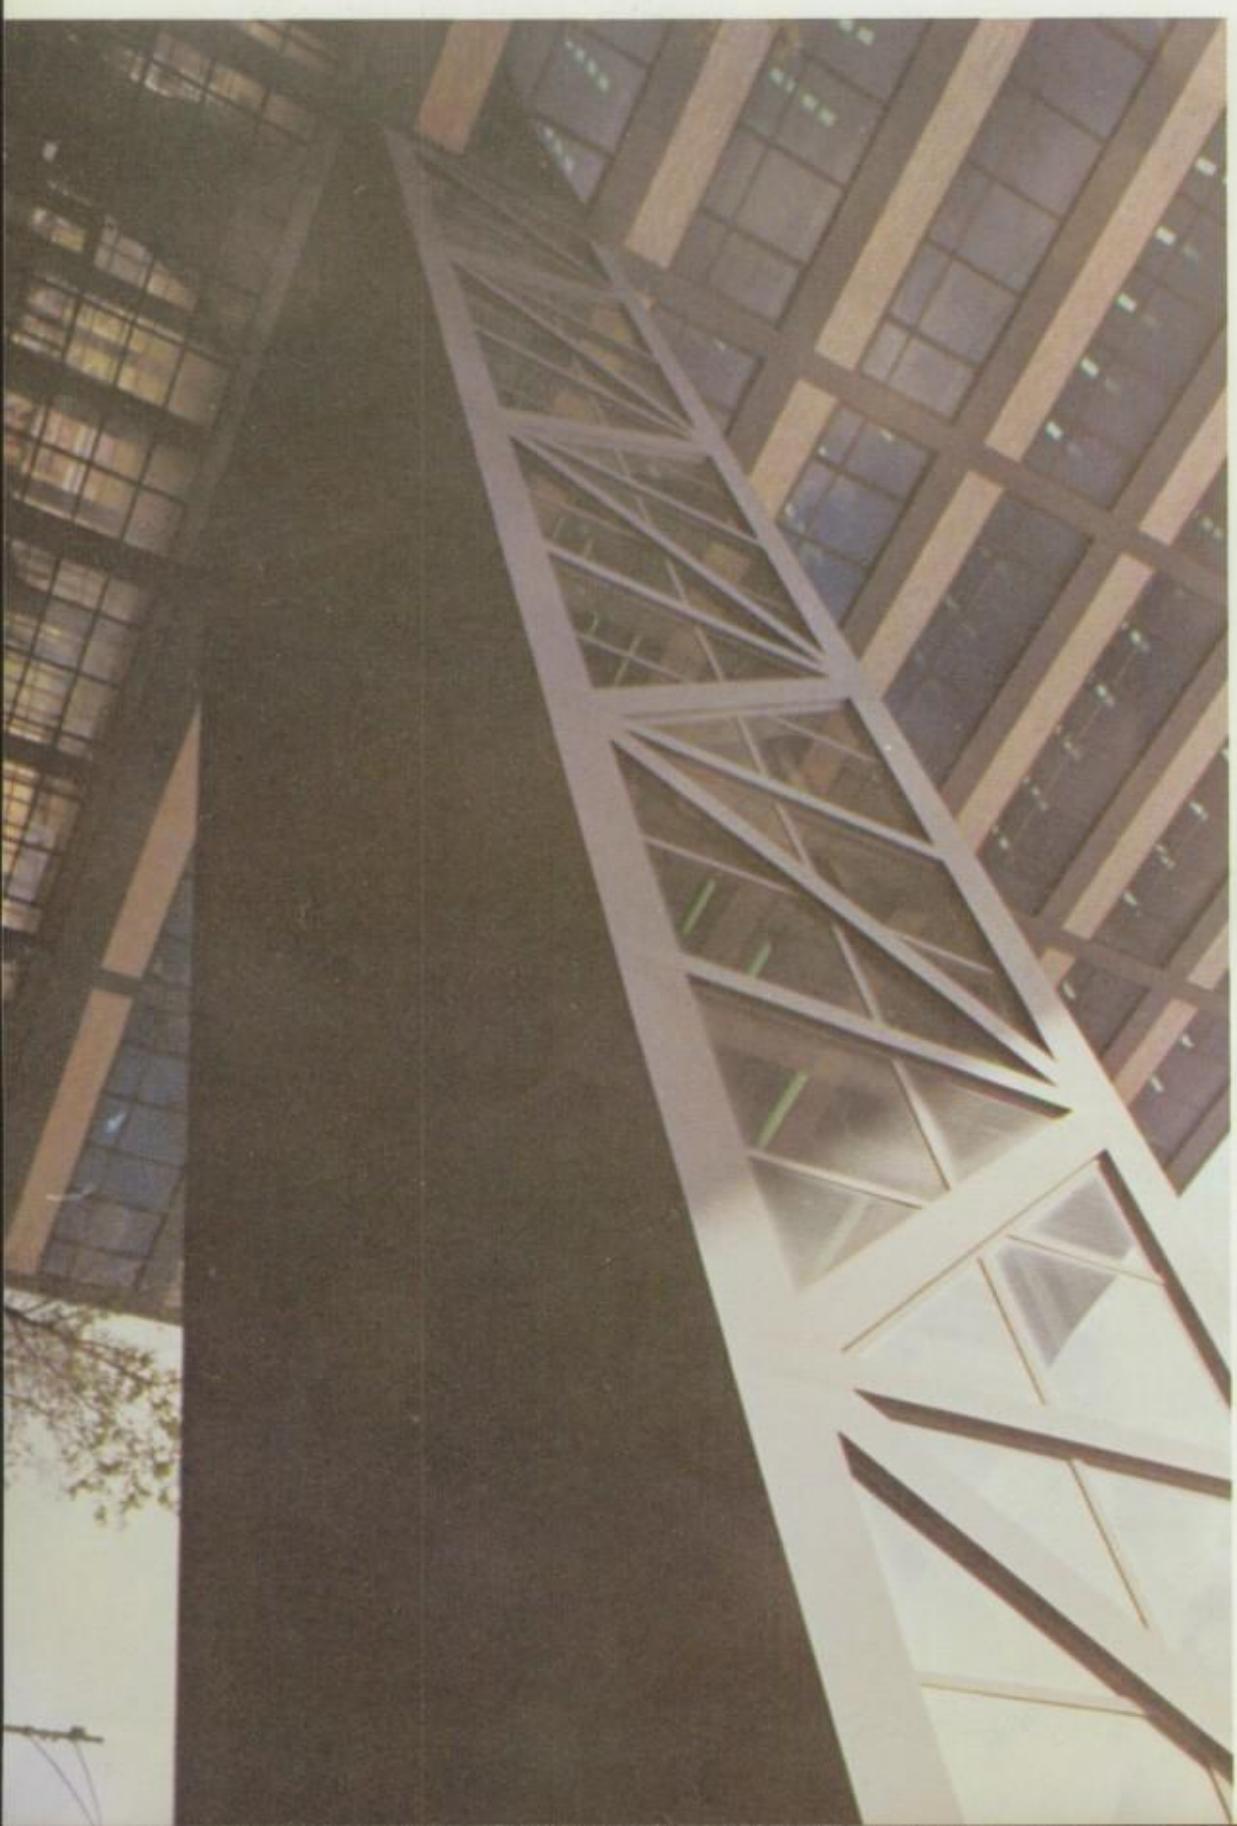
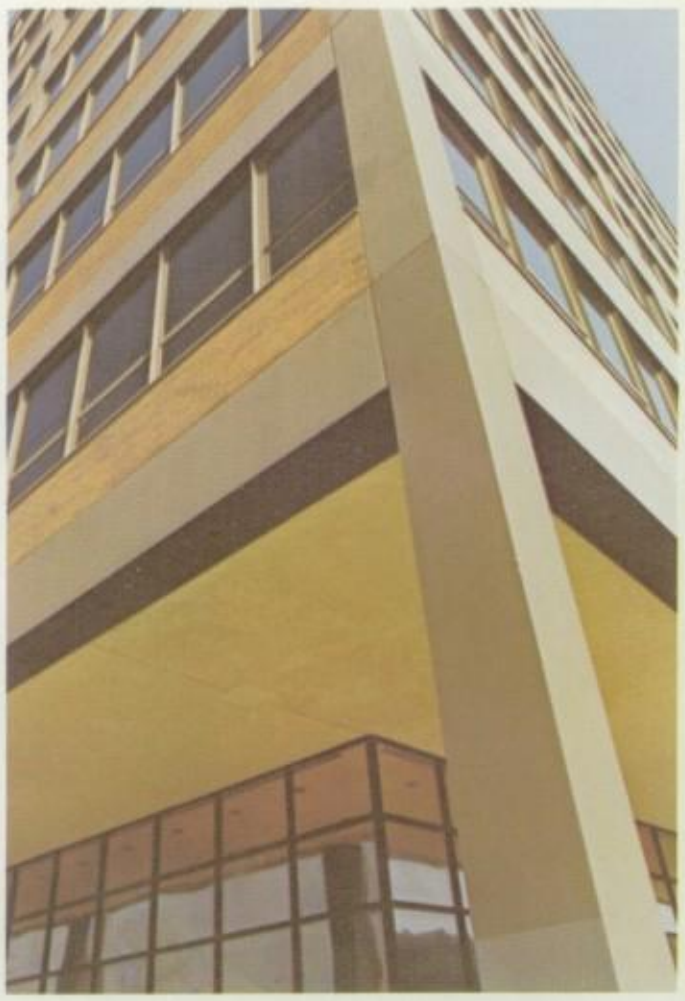
City Within a City

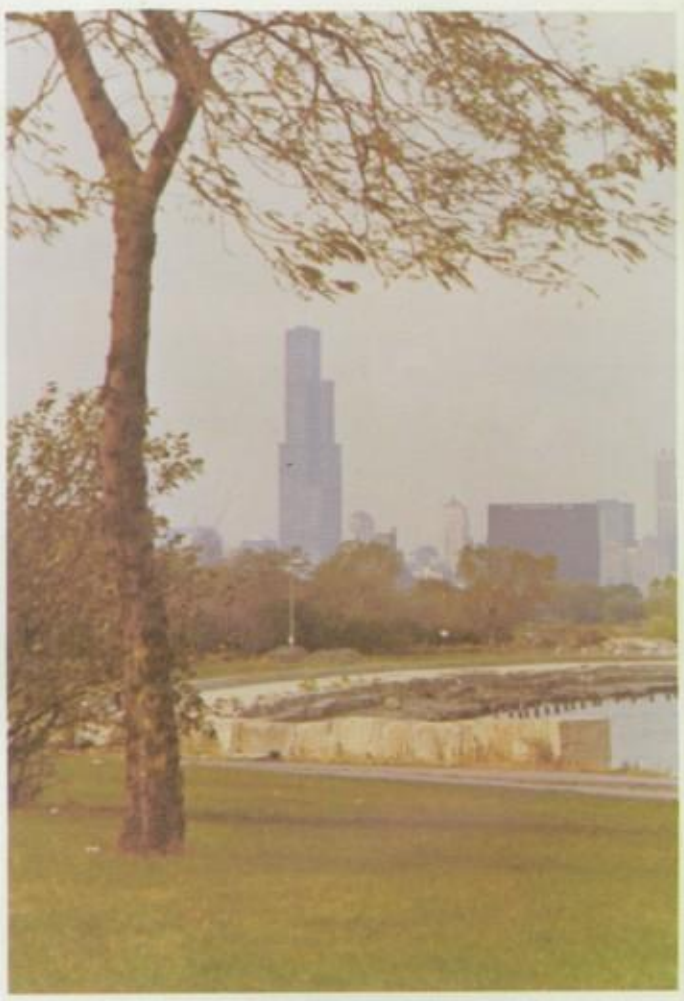
"Clemente is very much like a city, we have offices, school stores, lunchrooms, anything you can possibly want to do during your day is here. It's a microcosm, representative of the larger community. Don't you think so? I mean, it's sort of like those cubes they give you in kindergarten. Everytime you open one up, there's another one inside. Did you ever have that in kindergarten? I did. It was a favorite of mine."

Greg Herriges

I write on white cause you
can't fight to shit good.
Luck in future years to U.S.
P.S. you still a Rookie Joe







HOMECOMING

The Homecoming game played against Marshall High was one which we were very proud of! We won 16-0 with the help from the moral boosting floats.

After the game, there was a terrific dance! Because of our victory, the attendance was also tremendous. The homecoming Queen, Margie Reyes, and King, Luis Vazquez were honored with a dance dedicated to them.

FAREWELL TO 76ERS

In Passing,

The sounds of laughter
Are echoed deep within me.

In leaving
This mass
Spurn from ingenuity
And sweat,

A cloud of
Love and sorrow
Bursts
And a raindrop falls

Deep within the halls
Of tomorrow.

DEDICATION

Edwin A. Ruiz, well known and a very active student of Clemente High School, passed away this past summer after a very lengthy illness. He was a very active member of many clubs and organizations: the Key Club, Honors Club, and Cheerleaders are just a few. He was given the highest honor of the Key Club organization and will be missed and thought of often. His support to the school he attended will always be remembered.

Maude Carson, Principal
Roberto Clemente High School

To all students and staff,

As another school year draws to a close, it is time to look back and see ourselves as others see us. Clemente students have distinguished themselves in all areas—academic, artistic, and in the pursuit of various sports. You have shown a pride in your achievements that is richly deserved.

My congratulations on a good year and my best wishes to you and your families for a pleasant summer.

Sincerely,
Maude Carson

THE BEGUILING DAWN

By dawn, oh master of the world, by dawn.
For the sunrise creeps across the sea.
For the ships will sail around the world.
For thee the market is strong with myriad slaves.
For thee the hammer and the anvil ring.
For thee the poet of beguilement sings.

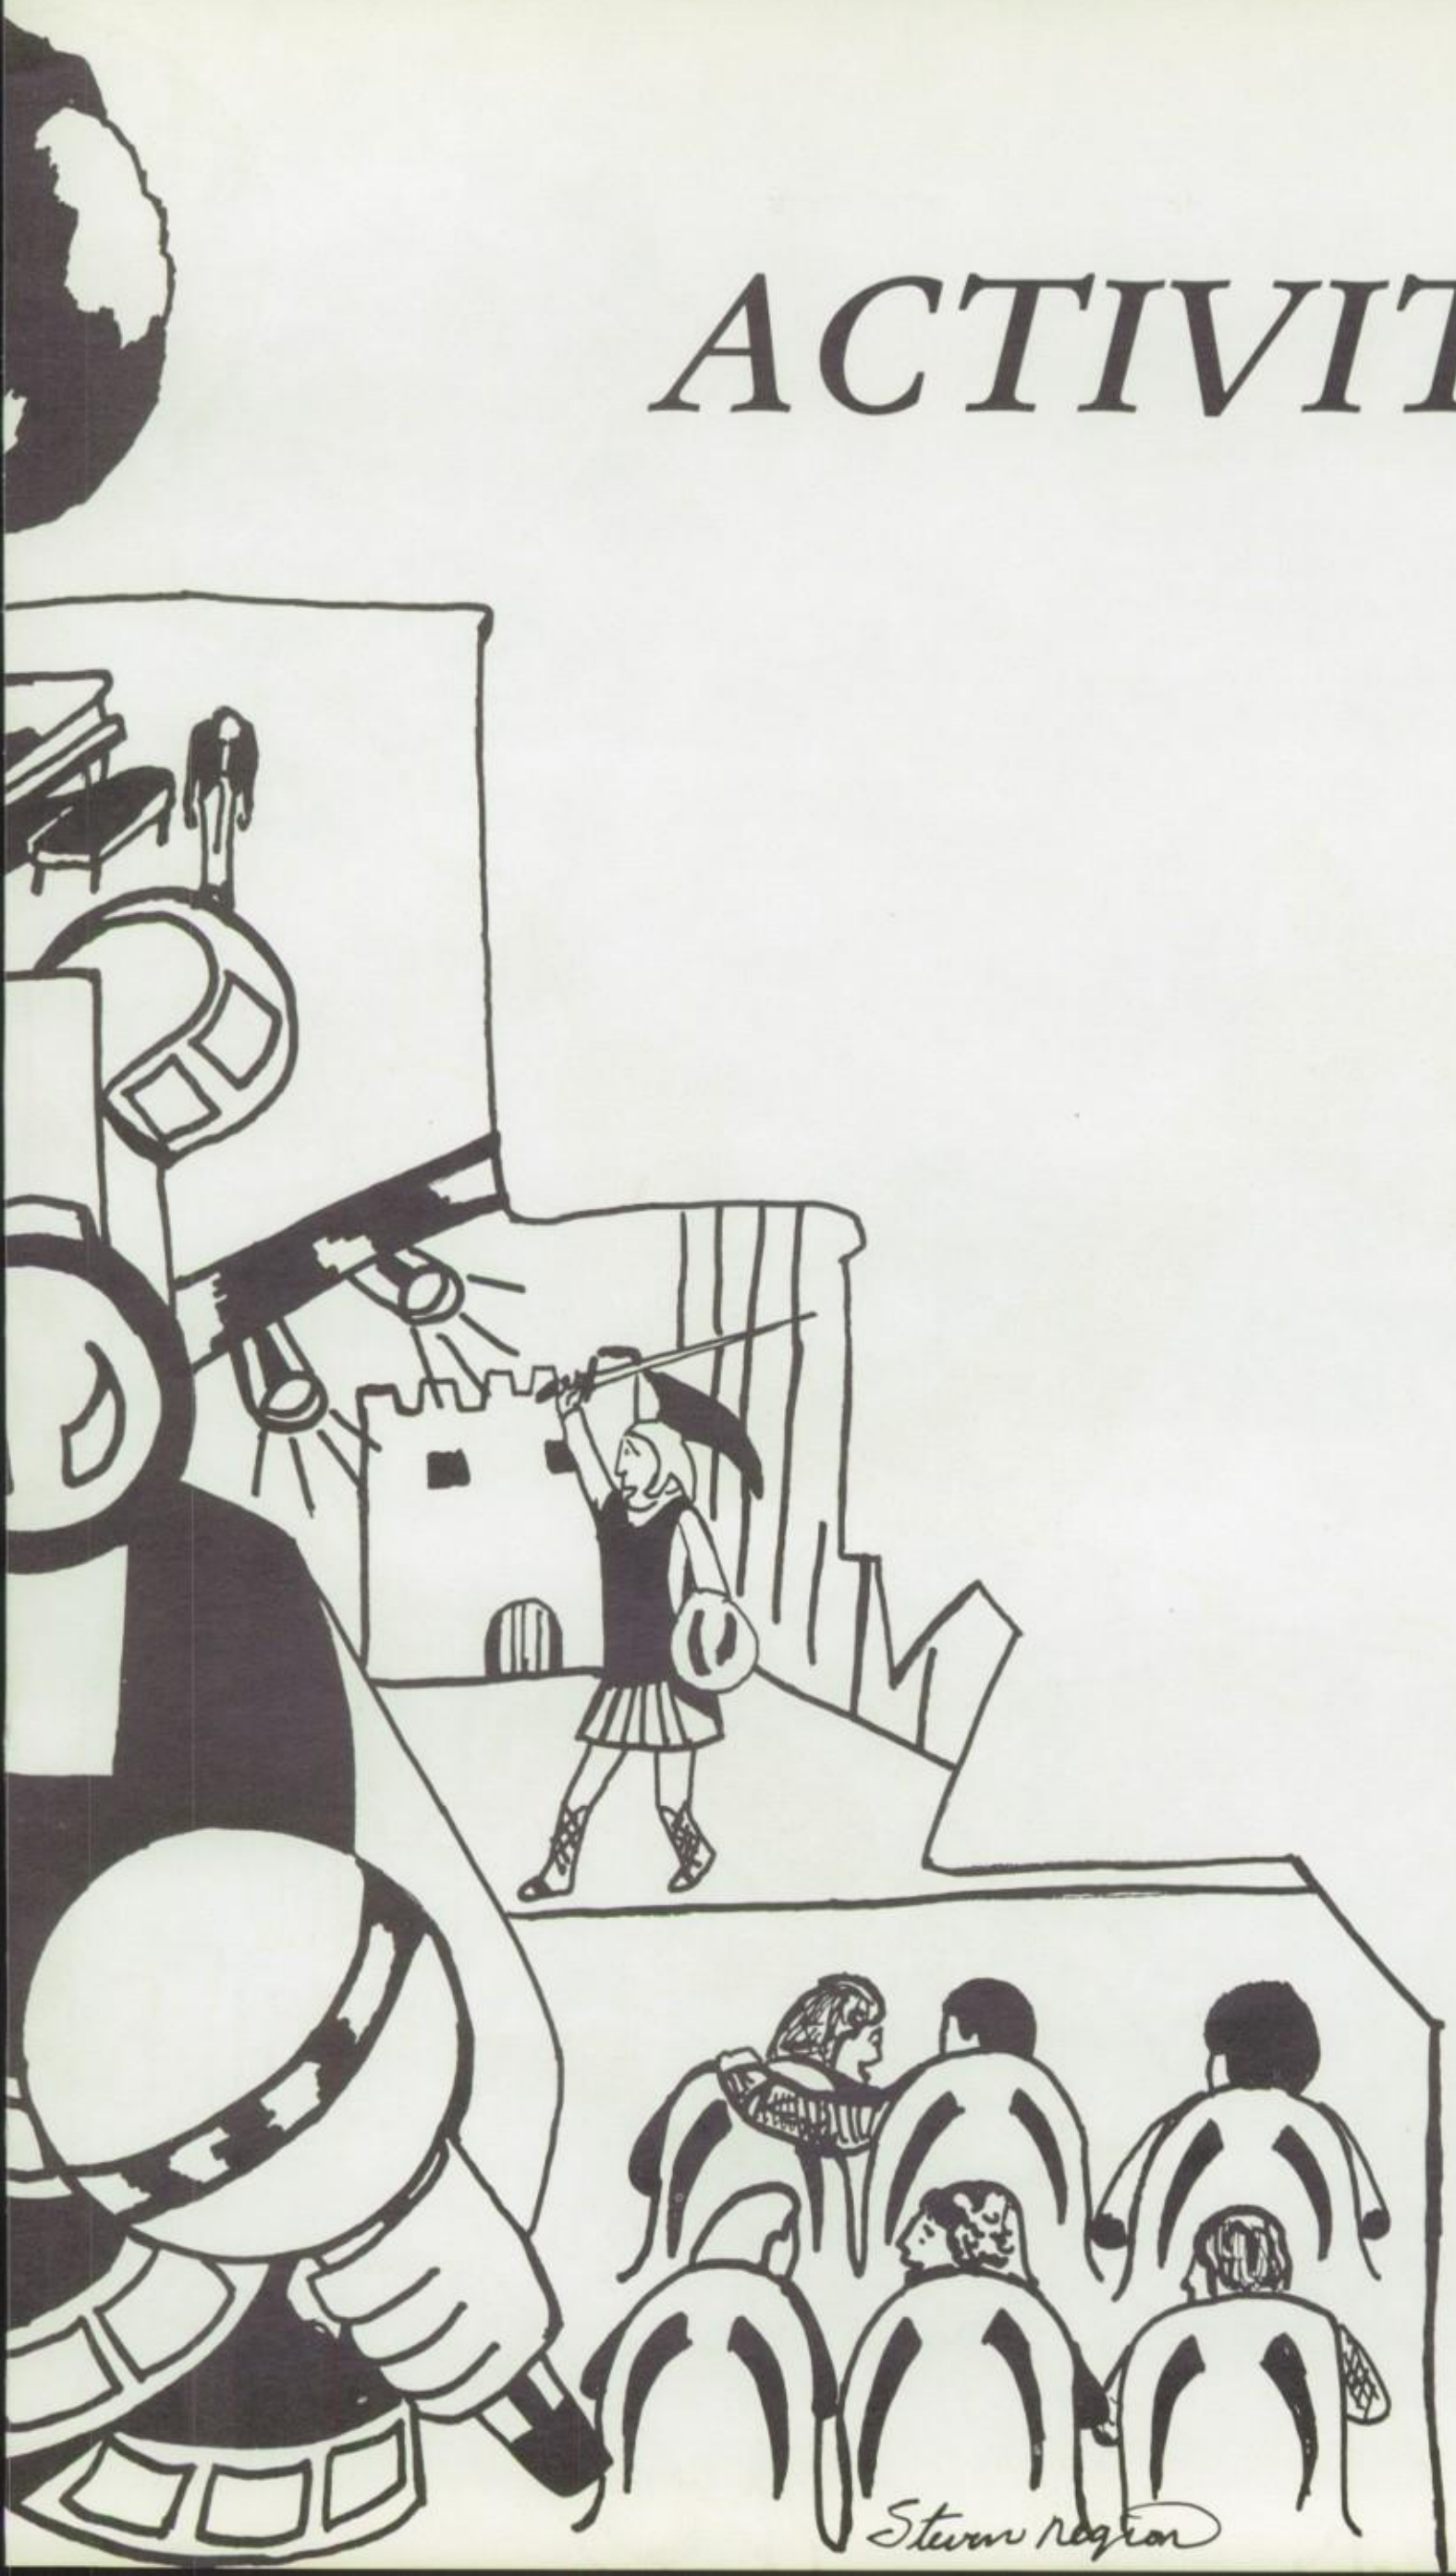
ACTIVITIES



I am alive, my brother, I am
Alive.
To live, to die
To speak, to remain silent
To wander in my dreams.
To act in my realities.
But when I stop
I wonder (I think).
Am I to live in question?
Or die with the key of truth
Before my very eye?

NATIONAL HONOR SOCIETY

The Clemente chapter of the National Honor Society recognizes the achievements of a select group of graduating seniors each year during a traditional induction ceremony. These senior students earn this honor after maintaining a scholastic average of "B", giving service to their school and community, showing superior character traits and demonstrating willingness to lead others constructively over three and a half years of high school. All students who meet these qualifications receive memberships in the National Honor Society and enjoy all of its privileges including the wearing of the emblem, having a club card and certificate, and having special recognition from employers and higher institutions of learning.

The National Honor Society Induction is one of Clemente's most impressive ceremonies.

HONOR CLUB

A. Goodkind–Sponsor, C. Monterrubio–Secretary, L. Baĕz–President, H. Rios–Treasurer, V. Hernandez–Sgt. of Arms.

The Honor Club claims as its members the hardest working people in the school. Every member has a "B", average in classwork for each year in the club and helps the school in many ways. Anyone on the honor roll may join the Honor Club activities. Besides working hard on classwork, the members of the club sell school supplies through the Honor Club store, collect canned goods for needy Clemente families, sponsor the semi-annual lollipop sales and annual Christmas Jamaroo Disco and usually end the year with a big forest preserve picnic and bike hike for members and friends. Anyone who wishes more information should see the club sponsor, Allan Goodkind in room 305.

Office Occupations Education is a combination of courses and practical experiences, organized into a program of instruction to provide opportunities for students to prepare for and achieve career objectives in office occupations. Planned and supervised occupational experiences in an authentic office environment are supplemented with in-school daily classroom instruction directly related to the part-time occupations chosen by the student-learner.

An active club program is included which helps the students develop an appreciation for the civic and social obligations of those engaged in business. It also helps unite students enrolled in classes with office employment as their objective. Awards are given to students through competitive events held annually.

Speakers from business, industry and government are invited to meet with club members and discuss their careers. Visitations by members to on-the-job locations are also planned. Such visits offer the member the opportunity to come in direct contact with a particular work situation. This kind of exposure can assist the student in planning for his career.

like the gangster young
will complain
that living
is hell
& the hideous harshness
of an outside reality which
(if allowed to can harden one)
is as concrete as frozen tung
sten. they will even deny You
when something less than their hearts break: this

is a christmas prayer
& the only dirty word
in it is me forgetting
to remember You
three hundred and sixty-four days
of the yesr.

Hey, i don't think it's possible
to remember You enough for the Gift
You gave us that, when opened, brought forth
more gifts & is bringing them in breath-beats still: i would that You
were as proud
of us
as you are disillusioned
in Your Fallen Angels.

Hey, esta todo el mundo
en tu mundo chevere? cuentame de eso. merry happy birthday christmas,
Great One, merry happy birthday christmas.

maybe the moon was full
or some fine angel distracted You
for a moment
on that sixth day. an off day, yeah, that's it, an off day!
Your Hand wavered. Your Head turned
& something inappropriate
was given to us. don't feel too disappointed in Your Creations.

maybe one fine angel-pure day
we will evolve into deep, sweet, collective love
& collective respect for You
through each other, just as You planned, right before
Your very soul: You, a smiling star

in the center
of our childish eyes. don't blind us
for our selfishness

The Girls Athletic Association led by their President Cecilia Monterrubio and sponsored by Ms. B. Gordon have been changing their direction to include the male student body in some of their activities. Co-ed splash parties take place each month and a snow sculpturing contest will be held when the conditions are right. Some of the activities planned for this year are: Teacher-Student Games in Volleyball and Softball, a Roller Skating Party, Picnic, Tournaments and Awards for Basketball, Volleyball and Tennis. All girls are welcome to join and be part of one of the most active clubs in school.

G.A.A.

This year, Clemente cameras focused on the people, programs, progress and problems of our school and surrounding community. The result has been both a city-wide and national spotlight. In the spring, editing was completed on "AsWeSeeIt," series of 26 half-hour color tv programs on desegregation planned for airing over the Public Broadcasting Service network. Eleven Clemente young people served as paid Student Co-Producers. SOMEDAY WE'LL ALL BE FREE was completed in January. Written and directed by Senior Aid Gandia, the 20-minute sound and color film was produced on a grant from the Interlake Foundation. It highlights the ambitions and successes of Clemente graduate, Francisco Rosa as he developed technical skills here at the school and eventually became a professional broadcaster. Classroom projects included in-person interviews with such well known airwave figures as Bill Kurtis (WBBM-TV), Larry Lujack (WLS), Linda Alvarez (WMAQ-TV) and Juan Montenegro (WOJO-FM). The goal was for students to learn directly from the pros those steps in advanced education and early job experience which are necessary for success in the media. The staff, including Mr. John West, teacher; David Affelder, Broadcast Producer; and Emmanuel Harris, Broadcast Engineer, are pleased that 14 students from their sections have already achieved part or full-time employment in local professional stations.
